MEMORANDUM FOR THE RECORD

REFERENCE: OLL/IAD Meeting With Senate Staff 30 August

1. On 2 September I called Bert Millings, staffer of Sen. Denton's Judiciary Subcommittee on Security and Terrorism, to ask if he had received any details on the clearance status of the non-Federal attendees/witnesses for the hearings on the 13th and 14th of this month, per discussions at Ref meeting.

2. Bert said that he had received info on the following:

Los Angeles Sherrif Dept: Capt. Block
Cmdr. Myron

Both officers have TS/SI clearances with BI dated 1983, requested and processed by Dept. of Justice.

State of California: Mr. Dana Reed, Deputy Secretary
for Business, Transportation and
Housing. Clearance in process.

Los Angeles Police Dept: Cmdr. William Raspin.
TS from FBI - current

Long Beach Police Dept: Chas. W. Clark
Clearance in process

3. It appears that the Bureau has in fact been expediting the processing of clearances for the prospective attendees. (The names above are rendered phonetically). Bert promised to make available, via OLL, a complete list of names and clearance status as soon as it is available.
